

INFORMATION FOR DIRECT IN-GROUND

NO HONORS AT CEMETERY

Prior to Service:

1. Monument Choices:

- **Emblem of Belief:** (see attached sheet)
- **Optional Inscriptions:** (see attached sheet for examples, but you can also choose your own as long as it fits and is in good taste)
- We need your monument choices by the date of the burial to place the order.
- Please email your choices to slvc@la.gov.
- Headstones take about 60 days to be installed.

On the Day of Burial:

1. Arrival:

- Stop at the stop sign in front of the Administration Building.
- Have one person bring your loved one's cremains into the office.

2. Payment for Non-Veteran Spouse Burial:

- If this burial is for a non-veteran spouse, we need a check in the form of certified funds (cashier's check, money order, etc.) made out to LDVA in the amount provided by the cemetery representative.

3. At the Gravesite:

- Your family can drive down to the grave section to await the placement.
- A member of our staff will take your loved one to the gravesite.
- Your loved one will be placed in their grave immediately upon our staff's arrival at the gravesite.
- We ask that the family give the employee placing the urn some space until the gravesite is covered.
- Once your loved one is placed in their grave, you may go to the site and stay as long as you like. Your clergy can attend and bless the spot after the site is covered.
